Notice Inviting Quotations for Reinstallation including repairs & maintenance of "Hope & Homage" Monument at BMHRC

Ref. : Quotation No. BMHRC/ES/Civil/Quotation/Monument Installation Allied work/2018-19/002

Sealed lump sum rate quotation is invited from experienced agencies for reinstallation including repairs & maintenance of "Hope & Homage" Monument at BMHRC, the detailed scope of work is mentioned below.

There are two wings of Monuments which are having a Common base plate over that sculpture is standing in the middle. One of the wings has been displaced from the base plate and fallen down, while the other wing has tilted.

The wings of monument are built up of structural frame of Angle & flats, over the surface MS sheet is provided covering with Brass plate rivetted in the desired shape on the top. The weight of each wing is about 400-500 kg.

In the fallen down wing it has been found that the surface MS sheet of wings has been eroded due to weathering effects thus it has not taken the load of wing & fallen down.

1) Scope of work : (2 wings)

- To open the brass plates to the minimum extent possible for replacing the corroded MS Sheet inside and restore the shape of wings.
- To provide a mechanism for interconnection of wings with existing base plate by inserting & grouting of a structural section inside the existing base plate projecting to a appropriate height for interconnection between wing & base plate.
- Erection & Installation of both the wing & jointing with the base plate.
- Polishing & finishing of wings & Monument and proper treatment of joints sealing for preventing ingress of water and inturn of corrosion in future.

2) General Terms & Conditions :

- 1) The bidders are advised to visit the site & assess the scope of work.
- 2) Duration of work completion : The entire work of monument installation to be completed within 12 days from award of work to the successful bidder.
- 3) The agency has to ensure that the reinstalled portion of monument wings shall exactly match with the originally installed monument as per Annexed photograph of monument.
- 4) The agency shall be solely responsible for safe execution of works at site and indemnify BMHRC against any loss of property & any injuries sustained by the manpower or third parties during the execution of works.
- 5) 90% payment would be released to the agency against the completed works to the satisfaction of BMHRC. 10% value of works would be retained by BMHRC for a period of one year against the defect liabilities and would be released after one year on rectification of any defects arises during the defect liability period.
- 6) Award of work : The work order will be awarded to the lowest evaluated (L-1) bidder.
